To postpone needed painting means big repair bills as exposed wood soon rots. Once decay does set in, there is the carpenter as well as the painter to pay. Why not paint now and save the carpenter's bill? We can supply the necessary materials.

### RHINE FLOWS ALONG MINUS SIGHTSEERS

(By Carl W. Ackerman, United Press Staff Correspondent.)

Coblentz, May 25.—The Rhine today is flowing along without its sightseers. The Rhine, which in peace time always attracted the American millionaire or school teacher, is practically deserted. In Coblentz, one of the favored stopping points along Germany's famous river, few visitors come.

Coblentz is one of Germany's strongest forts on the Rhine and the city is dominated by the officers and men.

At the beginning of the war, Cob-

lenz was the most envied of all German cities because the Kaiser and his staff spent the first two weeks here directing the operations against France and Belgium. Citizens today tell with great pride how the Kaiser watched the armies go down the valley of the Mosel.

Coblentz hotels are almost guestless. About the only residents are officers detailed to this fort for special duty.

If the French had succeeded in invading Germany as far as the German army has penetrated France, Coblentz would be in their hands—Coblentz and this part of the Rhine and Mosel. Across from Coblentz is the giant rock hill Ehrenbreitstein with its fort on

### Havana an Old City.

Havana, or San Cristobal de la Habana, as it was originally named, was the last of seven cities founded in Cuba by the island's conqueror, the Adelantado Diego Velasquez, the date being July 25, 1515. Since that was 23 years after the well-known Columbus date, there can't be many new world cities older than Havana, assuming that most of the other six in Cuba have since disappeared.

A SYMBOL OF HEALTH  
The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.—Adv. d&w
